Risk Assessment Level 2 Award

Off-site venue

This one day qualification course is designed to provide you with knowledge of the basic health and safety practices essential in the workplace and how to correctly carry out risk assessments.

Overview

This course is suitable across a range of industries as it covers the essential knowledge required to be safe at work.

Awarded by

About this course

Why should I do this course?

Gaining this qualification will enable you to prove to employers or potential employers that you know how to act in a safe and responsible manner in the workplace.

What's covered?

- employer's and employee's duties relating to health,
- why risk assessments are necessary
- the legal requirements relating to risk assessments
- simple processes for carrying out a risk assessment
- how to minimise risk

How will my work be assessed?

This course is assessed by a 30 minute, 20 question multiple choice examination. You must achieve a mark of at least 13 in order to pass.

What can I do after this?

On successful completion of course you can progress onto other Health & Safety courses such as CoSHH and the level 2 Award in Health & Safety in the Workplace.

Entry requirements

There are no formal entry requirements for this course.
